DCI Solution Announces New Alliance with The Isaac Group

January 1, 2019 – Rapid City, SD

DCI Solution is pleased to announce that it has formed a strategic alliance with The Isaac Group to bring our first-class Specialty Valuation services to the top insurance carriers and third-party providers in the industry.

"We could not have asked for better people to represent us in the marketplace than Wayne Cody, David Eisman, and their group", states Darren DiMaria Chief Client Officer of DCI Solution. "Their knowledge and experience of the Client's needs is unsurpassed."

About DCI Solution

DCI Solution is a leading provider of specialty valuations for specialty vehicles and other assets to the insurance and related industries. These services include Total Loss Valuations, Diminished Value Appraisals, Right of Appraisal Services, and other arbitration and supplemental services.

About The Isaac Group

Wayne Cody's experience includes 29 years of experience in the insurance, banking and franchise sectors. Eighteen years in management with nine years in executive management with experience in both national operations and sales to Fortune 100 companies.

David Eisman's experience includes over 29 years in insurance claims technology, as a stakeholder relationship builder in the P&C Insurance ecosystem. Twenty-six years in management with 22 years in executive management with progressive roles in global, national and regional operations and sales with leading firms in the vehicle valuations and appraising industries.
