HENDERSON FRANKLIN WELCOMES REGISTERED PATENT ATTORNEY LUCA HICKMAN

Fort Myers, Florida — Henderson, Franklin, Starnes & Holt, P.A., is pleased to announce that **Luca Hickman** has joined the firm. He will be based out of Henderson Franklin's Fort Myers' office. Hickman, who is a registered patent attorney with a dual U.S./German degree in engineering, will expand the breadth of the firm's litigation and intellectual property practice areas. Prior to joining the firm, he worked for a boutique international intellectual property law firm.

Hickman has experience working on high profile business and contractual matters, including multi-million dollar mergers and acquisitions involving publicly traded companies and celebrities, assisting clients with creation and management of intellectual property portfolios, brand licensing and anti-infringement matters – including extensive anti-counterfeiting work, and creating and overseeing global trademark portfolios. With his background in engineering and law, Hickman is in a unique position to understand both the underlying technical issues and the underlying legal issues assisting engineers and architects against design defect and professional liability claims.

Hickman serves on the Catholic Charities, Diocese of Venice, Board of Directors, is the President and Director of the Fresh Foundation, Inc., and is a member of the Catholic Bar Association. When not working, he enjoys writing, working on cars and prototyping his latest invention idea. Hickman received his undergraduate degrees from the Milwaukee School of Engineering (with high honors) and Lübeck University of Applied Sciences. He also graduated valedictorian and first in his class from Ave Maria School of Law.
