## **McNees Named One of the Top 100 Organizations of 2016**

HARRISBURG, PA – McNees Wallace & Nurick LLC was selected by Pennsylvania Business Central as one of the “Top 100 Organizations of 2016.”

Pennsylvania Business Central continues a tradition of recognizing companies that report record performance, are recognized as great places to work, and/or make significant contributions to Pennsylvania’s economic development.

Nominations were taken from the publication’s 24-county coverage area. The final honorees were selected according to achieved level of excellence and positive impact in the region in 2016.

“Being included among the organizations on the Top 100 list is truly humbling,” McNees Chairman David Kleppinger said. “We have been very fortunate over the years in servicing a great group of clients and having an amazingly talented team of lawyers and staff, and I know it wouldn’t have been possible without them.”

Pennsylvania Business Central is a business-to-business publication that delivers up-to-date news and information on the regional economy. For more information, visit [www.pabusinesscentral.com](http://www.pabusinesscentral.com).
