Hon. Mary Ellen Brennan, Oakland County Circuit Court**

The Oakland County Bar Foundation (OCBF) presented its 18th Annual Signature Event on April 28, 2017 at Oakland Hills Country Club in Bloomfield Hills. The evening included drinks, a strolling dinner, and networking opportunities with colleagues. Numerous Oakland County Circuit Court judges, as well as Michigan Supreme Court justices and Michigan Court of Appeals judges made an appearance. The OCBF partners with the Oakland County Bar Association in a collaborative effort to improve access to the legal system for law professionals and the citizens of Oakland County.

The Signature Event recognizes the efforts of the OCBF and serves as the Foundation's only fundraising event. Proceeds from the Signature Event allow the Foundation to fund the programs of many worthy organizations such as Lakeshore Legal Aid, University of Detroit Mercy School of Law, Beaumont Foundation, HAVEN, RESTORE Foundation and the Oakland County Bar Association, among others.

Secrest Wardle acted as a Bronze sponsor of the Signature Event. Representing Secrest Wardle, from the Firm's Troy location, were Derk Beckerleg, Executive Partner and Managing Partner of the Municipal Law Practice Group, and Executive Partner, Margaret Scott.
