

BOB EVANS

DIRECTOR, MOBILE INSURANCE SOLUTIONS, CSC

Bob is the Director of Mobile Insurance Solutions at CSC. While working toward his PhD in psychology, Bob accepted an internship at IBM, and it was there that he began his career in programming while working on human factor studies. Bob has more than 21 years of experience in computer science and has completed bachelors and masters level coursework in computer science in addition to his masters degree and PhD studies in psychology.

After leaving IBM, Bob's career path lead him to the financial services industry as a programmer, program manager and architect. Bob has been with CSC for the last 18 years.

Additionally, Bob has worked in avionics for the US Air Force for 11 years. He is married and the father of three children. His interests include mobile architecture, social networking and general technology topics. His primary hobbies are swimming, running and cycling, including competition in triathlons and marathons.
