BISHOP & HUMMERT, P.C.
Welcomes Texas Board Certified Civil Appellate Attorney,
William (Bill) Newman, to the Firm

For over twenty-five years Bill has devoted his practice to representing Appellees and Appellants in appeals courts throughout Texas. He was Board Certified in Appellate Law sixteen years ago. "He is truly one of a select few who brings his "A" game to every case, and particularly to appeals and matters involving a need for top notch legal analysis and research," said firm President E. Thomas Bishop. Bill was awarded an AV rating from not only his peers, but also from judges who had the opportunity to assess his skills and professionalism in the courtroom. The net result was an "Excellent" rating in both substantive knowledge of the law and ethical behavior. Bill earned his undergraduate degree, his master's degree, and his juris doctor degree from the University of Texas, where he graduated with honors. He has handled appeals on both sides of the docket, and brings with him a wealth of experience.
