## **Press Release**

Rapid City, SD – April 4, 2016- **DCI Solution** announced today that William “Bill” Geen is now working with the firm as a Valuation Strategist.

Bill was with CCC Information Services for almost 20 years as Senior Vice President- Valuation Services in the eighties and nineties when the automated “total loss” service was in its infancy. He was instrumental in developing this product and played a key role in helping grow CCC into the industry leader it is today. Prior to CCC, he was in the auto industry for a number of years.

“I’ve known Bill for many years and had the opportunity to work for him at CCC.”, states Darren DiMaria, DCI Solution’s Chief Client Officer, “I’ve stayed in touch with him since the onset of DCI Solution and finally convinced him to come out of retirement and to lend us his expertise. He will be a valuable asset as we continue to grow our business.”

**DCI Solution** is a nationwide provider of vehicle/asset valuations to the insurance and related industries. For more information, please contact [clientservices@dcisolution.com](mailto:clientservices@dcisolution.com) or call 855-DCI-LINK, [www.dcisolution.com](http://www.dcisolution.com)
