Press Release

June 9, 2016

Rapid City, SD – **DCI Solution** announced today that it has formed a strategic alliance with **TTA Appraisal** based in Murrieta, CA.

DCI Solution will provide Total Loss Valuations and Diminished Value Reports for **TTA Appraisal**. In turn, **TTA Appraisal** will provide Collision Estimates for **DCI Solution** as part of their Collision Estimate Network. "This is a natural alliance" states Darren DiMaria, Chief Client Officer for **DCI Solution**, "both our companies focus on the specialty/heavy equipment vehicle segment. Our customers will have the experts handling the entire claims process."

"With the introduction of *TTA Tech*, our new Material Damage Training Center, and the expertise of **DCI Solution**, our two companies are able to provide the insurance industry with the most robust hands-on training from first notice of loss to final settlement", says **TTA Appraisal** CEO Jon Gironda.

About DCI Solution

DCI Solution is a leading provider of vehicle and other asset valuation services to the insurance and related industries. These services include Total Loss Valuations, Diminished Values, Desk Reviews, and Underwriting Valuations.
