## **Medicare Compliance Online Referral Form Easy and Fast Referrals**

Medicare referrals can NOW be sent via the Medicare Compliance link on the [Dickie McCamey](#) web site or by using the attached "paper" referral form that is already in use.

Dickie McCamey's on-line form can be printed and/or saved prior to submission for your records.

When an on-line referral is submitted a copy of the full form is sent to the entire DMC Medicare Compliance team and to the intake staff via email. So if you happen to forget to save or print the referral form, we can provide you with a copy for your file.

We created the on-line referral form in hopes to ease your administrative burden and to expedite the file referral process. However, if there are any questions about the Medicare Compliance Referral Form, you can contact any of the Medicare Compliance team members listed below.
