

Reach Out to Insurance Claims Professionals at our 20th Annual Conference!

We invite you to be a sponsor!

We are pleased to offer an exciting array of high-impact sponsorship opportunities for our industry partners, and invite you to participate in the [Eberl Annual Conference at the Hard Rock Hotel & Casino in Las Vegas](#), February 16-20, 2014. The conference is a great opportunity for seasoned and novice adjusters to visit with you at your exhibit, and to learn about your products and services while they attend high caliber, adjuster-focused training classes.

Our annual conference is a premier event for insurance claims professionals to learn about emerging trends in the industry and to network with industry professionals like you! As a sponsor, your participation will be showcased in front of several hundred adjusters eager to learn about your company and to apply what they learn on the ground.

The event, now in its 20th year, continually grows in attendance and popularity and this year, we anticipate 650 independent adjusters to be in attendance and interested in you!

From our top level Platinum Package, which offers maximum exposure throughout the conference, to a full array of a la carte choices from advertising to charity event sponsorships, you will find the perfect opportunity to suit your needs.
