

99ND ANNUAL CONFERENCE
DALLAS, TEXAS

Reach Out to Insurance Claims Professionals at our 22nd Annual Conference!

We invite you to be a sponsor!

We are pleased to offer an exciting array of high-impact sponsorship opportunities for our industry partners, and invite you to participate in the Eberl Annual Conference at the Renaissance Dallas Hotel, February 14-17th, 2016. The conference is a great opportunity for seasoned and novice adjusters to visit with you at your exhibit, and to learn about your products and services while they attend high caliber, adjuster-focused training classes.

Our annual conference is a premier event for insurance claims professionals to learn about emerging trends in the industry and to network with industry professionals like you! As a sponsor, your participation will be showcased in front of several hundred adjusters eager to learn about your company and to apply what they learn on the ground.

Our charity event, which continues to grow each year, will be at TopGolf Dallas on February 14, 2016 to benefit the Wounded Warrior Project. We have several options for vendor participation.

This year for the Vendor Show, held on February 16th, we are going back in time to the days of disco with a "Night at Studio 54!" This 70's themed event will have groovy music, fab food, far out entertainment, and of course, our hip vendors! This event is open to all registered attendees, their guests and staff, typically drawing around 500-600 people, so break out your bellbottoms and get ready to feel the funk! Can you dig it?

Our conference which is now in its 22nd year, offers a unique opportunity to meet and network with Eberl adjusters as well as home office and management. Attendance ranges between 400-500 individuals, so this is a great avenue for you to promote your brand. Mark your calendars now- we look forward to seeing you in the Big D!
