Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. Over 79,000 leading attorneys globally are eligible to vote, and we have received more than 12 million votes to date on the legal abilities of other lawyers based on their specific practice areas around the world. For the 2016 Edition of The Best Lawyers in America®, 6.7 million votes were analyzed, which resulted in more than 55,000 leading lawyers being included in the new edition.
