Elaine Tso Promoted to Partner at Mazanec, Raskin & Ryder

(Cleveland, OH – July 21, 2016) -- Mazanec, Raskin & Ryder Co., LPA (MRR) is proud to announce the promotion of attorney Elaine Tso to partner. Elaine is based in the firm's Cleveland office.

Elaine joined MRR in 2008 as an associate, having previously served as a judicial law clerk to the Honorable Judge Randolph Baxter in the U.S. Bankruptcy Court in Cleveland. At MRR, she concentrates her practice on general liability litigation—defending insureds and insurers in personal injury, premises liability, product liability, and professional liability cases.

"Elaine is a deliberate problem solver who has consistently demonstrated mastery in the navigation of complex legal issues," said Joe Nicholas, MRR's President and Managing Partner. "We are delighted to reward Elaine's dedication and hard work with this promotion and look forward to her ongoing contributions, both to our clients and the firm."

Accomplished in her profession, Elaine has earned the distinction of selection as an "Ohio Rising Star" by Ohio Super Lawyers magazine for multiple years (2011 and 2013-2016). She is a member of the Ohio State Bar Association, the Cleveland Metropolitan Bar Association, the National Asian Pacific American Bar Association, and the Asian American Bar Association of Ohio, where she serves as Membership Vice President.

As active in the community as she is professionally, Elaine played a significant role in bringing the first clinic devoted to the healthcare needs of Asian Americans to Cleveland with the opening of the International Community Health Center (ICHC). As Chairwoman of the Board of Asian Services in Action, Inc. (A.S.I.A.), the most active social service agency in Ohio's Asian American community, she contributed her time and many skills to the effort to provide Asian Americans with access to quality, culturally, and linguistically appropriate healthcare information and services. Those efforts culminated in the grand opening of the ICHC in 2015.

A graduate of MIT with a degree in engineering, Elaine went on to earn her J.D. from the University of Akron School of Law
