McNees Named One of the Top 100 Organizations of 2015

STATE COLLEGE, PA (March 17, 2016) – McNees Wallace & Nurick LLC was selected by Pennsylvania Business Central as one of the “Top 100 Organizations of 2015.” Pennsylvania Business Central continues a 20-year tradition heralding companies who have reported record performance, have been recognized as great places to work or have made a significant contribution to Pennsylvania's economic development.

Nominations were taken from throughout the publication's 24-county coverage area. Final honorees were selected for their achieved level of excellence and positive impact in the region in 2015.

“Being included among the organizations on the Top 100 list is truly humbling. We have been very fortunate over the years in servicing a great group of clients and having an amazingly talented team of lawyers and staff, and I know it wouldn't have been possible without them,” said David Kleppinger, Chairman of McNees Wallace & Nurick.

Pennsylvania Business Central is a B2B publication that delivers up-to-date news and information on the regional economy to more than 35,000 readers. For more information, visit www.pabusinesscentral.com.
