

# Construction & Automatic Door Expert Witness Reaches Milestone 300th Retention

**May 10, 2012:** Michael Panish, Expert Witness & Legal Consultant has just been retained on his 300th case as an expert witness. Panish has offered consulting services, inspection, and testimony for insurance claims and lawsuits. The type of cases that Panish typically provides expert witness services for include the following: Automatic Door Injury Cases - Door Injuries of all types - Door, Lock & Security Issues - Construction Defects for tract developments and class action suits for condos, apartments, and custom homes - Building Contractor Fraud - Slip and Fall – Cabinetry, Furniture & Millwork defects and injuries – Paint & Finish Problems - Construction Contract Disputes - ADA Building Requirements - Building Code Violations – Insurance Claims - Cabinet Defects - Cabinetry and Casework related injuries.

President of Construction Systems, based in Southern California, Mike Panish began offering expert consulting, forensic analysis, and court testimony in 2001, while continuing to run a successful construction company which began in the early 1980s. Mike is a hands-on General Building, Electrical, Door, Lock & Security, Cabinet & Millwork, and Paint & Finish Contractor licensed in California.

In addition to personal injury, premises liability, construction defect, and product liability cases, Mike Panish has been retained numerous times on civil and criminal cases as security and premises liability expert witness. Some of these "landmark" verdict or settlement cases were for assault, rape, and molestation cases occurring in day care centers, long term care facilities, nursing facilities, patient transport, and jails.

Mike Panish holds the unique and impartial position of being retained by Plaintiff, Defense & Cross Defense equally and has testified for Federal and State cases Nationwide. Panish is an AM Best recommended expert service provider (Worldwide insurance rating & information agency), and has been retained in many construction related claim actions offering consultation, analysis, dispute resolution, defense, and testimony for insurance and surety companies defending their clients.

Mike Panish has become the nation's number one choice as expert witness for all construction related claims, automatic door injury cases, all types of door & hardware lawsuits, and cabinetry defects and injuries.

Mike Panish is the author of many informative articles relating to his specialties and services, and his articles are quickly becoming the "standard reference" used by university students and legal professionals alike.

Michael Panish is an expert witness, forensic analyst, and consultant in the field of Construction. He is licensed in the State of CA as a General Building Contractor, Cabinet & Millwork Contractor, Door, Lock & Security Equipment Contractor, Electrical Contractor, & Paint and Finish Contractor.
