Daniel W. Raab, Esq. of Miami, Florida is pleased to announce that his book *Transportation Terms & Conditions*, a reference dictionary with forms is now in its 2nd edition. The book is published by Claitor's Publishing Division out of Baton Rouge, Louisiana. It is an easy to use dictionary/reference for people in the transportation industry including lawyers, insurance companies, and adjusters who deal with transportation issues. Mr. Raab thought that there was a need for such a publication as it provides a convenient reference for those in the industry. What makes this book different from other such references is that it includes legal citations, web addresses, forms, and statutes. Mr. Raab is also a Contributing Author to *Goods In Transit*, Chapter 47 of the *New Appleman Insurance Guide*, "Understanding Inland Marine Insurance", and Chapter 5 of *Benedict on Admiralty Desk Reference* entitled "Carriage of Goods."

The book can be purchased through Claitor's Publishing Division online through the publisher's website at: www.claitors.com/raab.htm or by phone at: (225) 344-0476.
