

EXECUTIVE PARTNER JAMES R. BRADLEY TO SPEAK AT MICHIGAN CHAPTER CLAIMS AND LITIGATION MANAGEMENT ALLIANCE EVENT

[Secrest Wardle](#) Executive Partner James R. Bradley is scheduled to speak at the CLM Michigan Chapter Educational and Networking Event scheduled to take place on Thursday, February 12, 2015, at the Rochester Mills Beer Company in Rochester, Michigan. The event is designed to provide participants with an interactive review of serious First Party No-Fault Claims with practical tips for handling large loss claims with potential MCCA reporting requirements. Cases and information will include analysis of Business as well as Personal Auto Policies with additional practical implications involving the Assigned Claims Pool. Mr. Bradley will be presenting with Dawn Chappuies, Medical Manager, Progressive Group of Insurance Companies.

The Claims and Litigation Management Alliance (CLM) is the only national organization created to meet the needs of professionals in the claims and litigation management industries. The organization was founded in 2007 and currently has more than 25,000 Members and Fellows. For more information please click <http://bit.ly/1Bis6sl>.

James R. Bradley is an Executive Partner and the managing partner of Secrest Wardle's Lansing office. Mr. Bradley specializes in motor vehicle defense litigation and has successfully defended corporate and private clients in both first party and third party automobile liability claims in both state and federal courts since 1987.

Mr. Bradley has substantial litigation experience involving sophisticated overland trucking litigation, and is acutely familiar with both MDOT and US DOT trucking regulations. He has successfully defended clients in serious trucking cases involving all manner of injuries ranging from the most minor to cases involving death, closed head injury and/or quadriplegia. He routinely provides risk management assistance to his clients in a variety of areas of the law. Mr. Bradley is a member of Secrest Wardle's Motor Vehicle Litigation, Product Liability, Construction, and Employment Practice Groups.
