Secrest Wardle Executive Partner Margaret A. Scott Receives North Oakland County Veteran’s Treatment Court “Challenge Coin”

Margaret A. Scott, an Executive Partner located in Secrest Wardle’s Troy office, was recently presented with a “Challenge Coin” honoring her commitment to the North Oakland County Veteran’s Treatment Court (NOCVTC.) Ms. Scott was honored as a NOCVTC Team Member for her service to the program in her role as a Prosecuting Attorney in the 51st District Court in Waterford, Michigan. The ceremony took place July 16, 2015, at the courthouse. Nine veterans graduated from the program during the ceremony, with a combined total of 60 years of service. Each service member received a Challenge Coin in recognition of their successful completion of the NOCVTC Program.

Waterford Township trustee Donna Kelley attended the ceremony and had this to say about the NOCVTC program and Margaret Scott:

"The wonderful work that is done by the NOCVTC is contagious for those that want to be a part of something that makes a difference in Veterans' lives. I was very pleased to see Margaret recognized for being a part of it. As a trustee of Waterford Township, I am aware that Margaret is very involved with her work for the Township. I have worked at VFW Post 1008 for 25 years and am very proud that there is this fine program available to assist Veterans in our community."

Veterans' treatment court uses a hybrid integration of drug court and mental health court principles to serve military veterans, and sometimes active-duty personnel. They promote sobriety, recovery, and stability through a coordinated response that involves collaboration with the traditional partners found in drug courts and mental health courts, as well as the Department of Veterans Affairs, healthcare networks, Veterans Benefits Administration, state Departments of Veterans Affairs, volunteer mentors, and organizations that support veterans and veterans' families (Office of National Drug Control Policy, 2010).
