

# Best's Directories of Recommended Insurance Attorneys and Adjusters

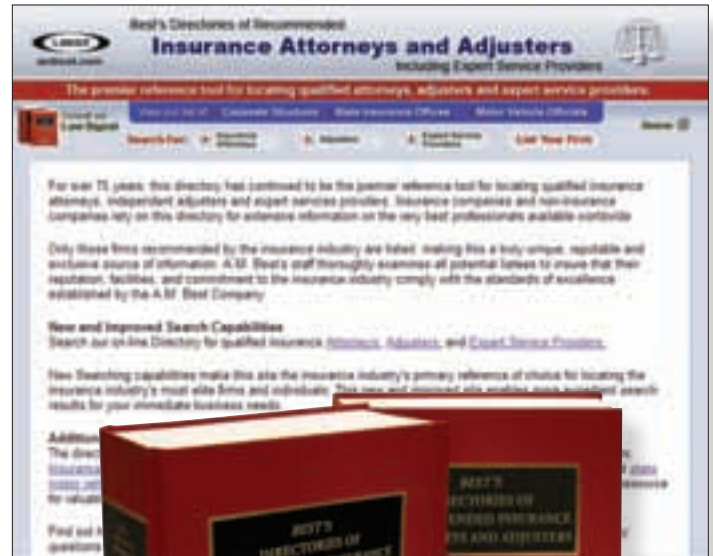

The *Directories* are the most authoritative and detailed references for locating qualified legal counsel, independent adjusting services and expert service providers experienced in handling the specific needs of insurance companies.

You can be confident that A.M. Best, the most trusted name in insurance information, has rigorously reviewed the professionals listed, and that only experienced professionals with exemplary performance are included. As a *Directory* user, you can:

- Find reliable, industry-recommended law firms, independent adjusters and expert service providers, based on areas of expertise or geographic location.
- Review the online law digest for changes to insurance laws in particular states or provinces.
- Expedite your search by accessing the *Directory* online at [www.ambest.com/legal](http://www.ambest.com/legal)—the advanced features make it easier than ever for you to find the services you're looking for.

## Your purchase includes:

- A two-volume print edition and online resource containing listings for 3,427 law firms; 1,773 adjusting offices and 51 categories of qualified experts
- Listings that include:
  - Type of practice
  - Firm profile
  - Verified client list
  - Biographical information
  - Contact information
- Online insurance law reference tables and charts
- A comprehensive online digest of insurance laws specific to each U.S. state and Canadian province, in addition to the names of prominent legal and claims officials
- Corporate structures of major insurance companies (online only)
- Contact information for state insurance and motor vehicle officials (online only)
- A one-year subscription to *Best's Review*® magazine

Listings appear in detail in both the print and online versions of the *Directory*.
