

Underwriting & Loss Control Resources

Conveniently access reports on hundreds of industries, businesses and municipal services, designed specifically for the underwriting and loss control community.

- Quickly become familiar with workplace hazards and appropriate loss controls from an underwriter's point of view.
- Perform efficient and thorough on-site loss control inspections with checklists that identify risks to employees and customers.
- Leverage database functionality that allows you to easily create custom report templates and lists of information you use frequently.

Best's Hazard Index is included in every report (shown: Pharmaceutical Manufacturers).
