Personnel Information

John Smith, RPA, *President*

Since 1988, John Smith has served the legal profession and insurance industry as a multi-line insurance adjuster and private investigator, specializing in property & casualty adjusting (residential and commercial), SIU investigations, criminal-civil research, skip-tracing, recorded interviews, business due diligence, and various other investigative matters.

[Back To Top](#)

Michael Doe, *Branch Manager*

Starting his career 20 years ago with The Pilot Insurance Company in Michael has worked hard elevating his career to the present Senior level road adjuster and branch manager. Michael joined the firm in September of 2002 to fill our need to supply quality expertise in the field of Accident Benefits. His specialties also lie in commercial and personal lines losses, along with all types of casualty and municipal liability claims.
