

Best's News Services

Via Bloomberg Professional

Get instant access to the latest insurance news on *BestWire*[®] and check Best's Financial Strength and Securities Ratings with the convenience of the Bloomberg Professional Terminal. (Access to ratings requires a Bloomberg Professional services subscription; access to news requires an additional subscription from A.M. Best). A subscription to Best's News Services via Bloomberg Professional lets you:

- Examine Best's Financial Strength Ratings (Bloomberg Professional service subscription required).
- Examine Best's Securities Ratings (Bloomberg Professional service subscription required).
- View real-time insurance news (additional subscription from A.M. Best required).
- Integrate A.M. Best news into your Bloomberg alert and tracking systems.

BestWire real-time news and Best's Ratings are accessible via Bloomberg Professional.

Bloomberg Professional provides one-stop shopping for A.M. Best's ratings and news. For insurance professionals, it's the logical extension of a Bloomberg subscription. Now you can have fast, keyword-searchable access to premier insurance news within the Bloomberg system.

Your Subscription Includes:

- Access to current financial strength and securities ratings for thousands of companies
- A comprehensive database of current news stories to keep you informed of the latest insurance industry developments
- A sophisticated search engine that lets you find what you're looking for by keyword or phrase
