

Best's Financial Suite

Canada

Power your insurance industry research with quality data, insurer credit ratings and analytical tools from A.M. Best. As the only rating agency dedicated exclusively to serving the insurance industry, we offer insight that supports sophisticated analysis.

- Drill into the details behind insurers' Best's Credit Ratings and performance ratios.
- Perform credit risk analysis, strategic and financial planning on a historical basis with the same data used by A.M. Best's analysts during the rating process.
- Benchmark insurers against peers, industry composites or the total industry.
- Understand corporate structures worldwide and across industries; research corporate changes, mergers, acquisitions and more.
- Analyze and monitor the performance of the industry or particular segments.
- Monitor trends in underwriting experience.
- Evaluate the sources of profits and trends in profitability measures.
- Measure a company's ability to meet its anticipated short- and long-term obligations to policyholders and other creditors.
- Analyze an insurer's financial leverage in conjunction with its operating leverage to assess its overall capitalization.

Up to Five Years of Annual Data

- **Annual regulatory filing data** as filed with the Office of the Superintendent of Financial Institutions (OSFI) for Canadian P/C and L/H single companies, and consolidated as filed
- **Industry composites** of aggregated results for the total industry and predominating categories
