Firms included in the 2022 Edition of “Best Law Firms” are recognized for professional excellence with consistently impressive ratings from clients and peers. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise. To be eligible for a ranking, a firm must first have a lawyer recognized in *The Best Lawyers in America*, which recognizes six percent of practicing attorneys in the U.S.

The 2022 rankings are based on more than 8.2 million evaluations of over 115,000 lawyers from over 22,000 firms. Awards were given in 75 national practice areas and 127 metropolitan practice areas.

Ranked firms, presented in three tiers, are listed on a national and regional-based scale. Firms that received a tier designation reflect the high level of respect a firm can earn among other leading lawyers and clients in the same communities and practice areas.
