1. The total number of ads run in a 12-month period determines the frequency discount rate. All ads for the qualified advertiser will be quoted at that frequency rate. All ads are sold on a rotating basis. The frequency of the rotation may change throughout the year. All advertising runs from the first through the last day of the month. Advertising will not appear in rating-event articles.
2. On the *Best's News* website.
3. The total number of ads run in a 12-month period determines the frequency discount rate. All ads for the qualifying advertiser will be quoted at the frequency rate. All advertising runs only in the month for which it was purchased.
