<p>SERFF Filing Description</p> <p> began writing commercial automobile insurance for vehicles utilized for last mile delivery in November 2017. It was determined recently to file this as a separate program due to the size of the program and the homogenous group of insureds. We previously used our approved LCM's for Commercial Automobile. We are filing the same ISO minimum premium and Schedule Rating exceptions rules as approved in the program. We are also filing a \$2500 APD deductible factor providing more options.
