

# Best's State Rate Filings®

Access millions of complete rate, rule and form filings for property/casualty lines.

- Monitor approved, pending, rejected or withdrawn filings, plus loss cost information and new programs, in all states plus DC.
- Track companies by states or lines of business, and receive customized notifications when filings are submitted or approved.
- Export key data from filings, including disposition data and market share information.
- Access standardized policy forms from national insurance advisory and statistical organizations.
- Identify top US P/C insurers by state and line and bring yearly trends into focus with preformatted financial reports.
